

AGREEMENT FOR HEALING PRAYER MINISTRY
Pastor TL and De Landgraf

This ministry is called **prayer ministry**. It is considered a form of **pastoral counseling, not professional counseling**. I am an ordained minister, not licensed as a professional counselor. I work with you only as you choose to work with me. Though I suggest a donation of up to \$100 for the two hour appointment, I do not refuse anyone for whom this amount is inconvenient.

God has seen fit to work with and through me in moving people toward freedom from spiritual, emotional and even physical problems. It is, therefore, my expectation that He will help you through our time together. But I cannot control God or promise what He will do. I can only promise that I will do my best to work with God for your good and God's glory.

What usually happens in this type of ministry is that God brings a kind of "spurt" toward wholeness in each session. Often additional work is necessary for a person to attain the complete freedom he/she and God desire. It may be advisable for the person to receive help from a professional counselor as well. I strongly advise this, especially in dealing with dysfunctional habits. It is always advisable for the person to actively pursue spiritual disciplines such as church attendance, prayer, Bible study and worship.

I am committed to keep confidential whatever you share with me. I am, however, **required by law*** to report to appropriate persons two kinds of things:

1. Any intent of a person to take harmful, dangerous, or criminal action against another person or against him/herself, or
2. Any act of child or elderly abuse or neglect.

*** if it appears that such notification needs to be given, that intention will be shared with you first.**

In order to provide the appropriate legal protection, I ask that each person sign the following Statement of Release.

I hereby release Pastor TL and De Landgraf from any liability should this ministry session not live up to my expectations or lead to any spiritual, emotional or physical dysfunction.

Occults, Cults, Religions

We need to remember that all occult involvement brings spiritual confusion. The wrong things we do in innocence and ignorance hurt as well as those things we do deliberately. Satan has set occult traps throughout our world into which he hopes we will fall.

God's forgiveness works not only for our sins but also for our errors due to ignorance as well. We must confess and receive forgiveness for our occult involvement, whether it was done on purpose or through ignorance.

As you read through the following list, ask the Holy Spirit to recall to your mind every involvement you have had. Keep in mind that many of these activities are clearly occult, but the occult nature of some of them may not be as clear.

Please mark any and all possible activities, even if there is a question in your mind as to their occult nature, so that you are confident that you have renounced all possible occult or demonic influences in your life. It is not our purpose to teach about each and every one of these activities and why they are considered occult; we are simply trying to give a solid framework for occult renunciation, and we have based our information on the teachings of those who are considered experts in this area.

Mark each one in which you have participated; then ask God's forgiveness. Have you ever – out of curiosity or in earnest – experienced any of the following?

Divination: *seeking knowledge from forbidden sources: (Deuteronomy 18:9-16; Daniel 2:26-28, Isaiah 2:6, 47:10-15; Micah 5:12; Acts 16:16). Have you ever...*

- sought or communicated with apparitions that were not of God
- worshipped in a pagan shrine or temple
- participated in Native American mysticism or spiritual practices
- sought or asked to receive an animal spirit guide

Witchcraft: *seeking power from forbidden spiritual sources (Galatians 5:19-20; I Samuel 15:23, 28:7; II Kings 9:22, 23-25; I Chronicles 10:13; Isaiah 8:19, 19:3, 29:4; Micah 5:12). Have you ever...*

Generational Bondage: (Exodus 34:6-7; Numbers 14:17-19; Deuteronomy 5:8-10; Joshua 22:16-29; Psalms 33:11; Jeremiah 11:10-13; Acts 2:38-39).

Other Activities: that may lead to demonic oppression, have you ever....

- been involved in protracted or intense sinful or addictive activities that have led to your being oppressed by a sinful behavior (e.g. pornography)
- been on a drug trip that could have opened you up to an evil presence when your spirit was "out there" and unprotected
- listened extensively to music that carried with it an evil or satanic influence (e.g. some hard rock groups have dedicated their music to Satan)
- subjected yourself to reading literature or watching movies that are evil in nature
- had a propensity towards superstition or a fascination with evil

.....

The difficulty with a subject like this, as you probably realize, is that some people tend to go to extremes; they either get frightened and overextend the power of evil, or cast it aside as "seeing a devil behind every tree." Clearly, if a person once had a lucky rabbit's foot, they probably were not harmed much by it; but just as certainly if they were a member of a coven, they will probably need deliverance – and probably at some length. Not everything on this list is of equal importance, but we tried to make it complete.

Important Questions

In your own words describe and evaluate your problems?

What have you done about it?

What are your expectations in coming to us for ministry?

Is there any other information we should know?

Family Tree

(Feel free to mark on the explanation pages, but also on the actual family tree page.)

A family tree is used to diagram family history so you can see at a glance where problems are in each generation. Begin at the bottom of the family tree; fill in your name and your spouse's name, and any problems you have (if divorced, insert your previous spouse's name, too). Do the same with your children, your parents and your brothers and sisters. Continue in this way up the family tree, as far as you can remember, indicating any patterns or problem areas in your family line. Some problems come down vertically, as from grandfather to father, some horizontally, from aunt to aunt, or cousin to cousin. Some of the problems are obvious, others are known only to God. Don't worry about what you do not know. Jesus will reveal what you need to know, and what He reveals He will bring into healing.

Great traumas may be healed through generational healing prayer without your knowing their exact cause. However, if you find that your family's problems are not completely resolved after one Holy Communion or healing prayer session, continue to intercede for them. In some cases, it may be necessary for prayer for the Healing of Generations to be repeated several times for family bloodlines. The following instructions provide some ideas to help prepare your family tree.

To construct your family tree, go back at least four generations, even if you do not know all names. If possible, check with parents, grandparents and other relatives to get more details or clearer information. Simply write on the family tree every issue that you would like to bring to the Lord. If you were adopted you may have only a minimal amount of information regarding your biological family. In that case, include whatever information you have as to your biological family, as well as any pertaining to your adopted family. If you were adopted and are unaware of your biological family, simply include all the information pertaining to your adopted family.

Once you have finished constructing the family tree, look at the possible patterns or problem areas with the family bloodlines. Below are some of the common areas of generational bondage or sin that may help jog your memory and make a more complete picture of your family line.

Remember to ask the Holy Spirit to reveal His Truth. He may give you an area that is not listed below, but it is essential to put down all areas revealed to you in order to break the patterns of generational sin.

Unusual and Violent Deaths or Severe Trauma

Identify, by name, the people in your family who:

- _____ Committed or attempted suicide
- _____ Untimely deaths
- _____ Murdered or died in tragic ways such as accidents or wars
- _____ Committed an abortion or participated in/sponsored an abortion
- _____ Miscarriages
- _____ Abortions
- _____ Died in a mental institution, nursing home or prison
- _____ Those who were not given a Christian burial or were unmourned.
- _____ Those who were unnaturally grieved.

_____ Severe trauma, with evidence of effects passed on through the family (e.g., drowning, resulting in fear of water in other members, especially descendants)

Evidence of Occult or Demonic Activity

- _____ Superstitions
- _____ Involved in the occult (e.g., witchcraft, astrology, spiritualism or divination).
- _____ Opening one's self to powers of the spiritual realm or psychics
- _____ Made a blood covenant with Satan or involved in satanic worship
- _____ Involved with a witch or other persons involved in the occult

Habitual Patterns of Sin Sexual Sins

- | | |

| _____ Homosexuality/lesbianism | _____ Incest |
| _____ Pornography | _____ Lust |
| _____ Sexual promiscuity | _____ Sexual perversions |
| _____ Sexual addictions | _____ Sexual partners (more than one) |

Be sure to list all sexual partners and/or any soul-ties you have with another. This is extremely important. Even if it was not sexual you may be tied spiritually, emotionally or mentally. If you are enjoined to another, you must be cut free from this relationship. Remember that Jesus does not separate us from a person when we have been tied to him or her in ways that are holy and within God's plan and will. He only sets us free from the unholy or destructive part of the relationship. This is an especially important step when you are married or planning to marry. Your marriage bed should only include you, your spouse and God.

| _____ Violence | _____ Abuse (physical, mental, emotional, or spiritual) | |
| _____ Incest | _____ Racial prejudice | _____ Anger |

| _____ Hatred | _____ Unforgiveness | _____ Selfishness |
| _____ Judgments | _____ Addictions (alcoholism, nicotine, drugs, food, shopping, etc.) | |
